MOTION FOR EMERGENCY PRETRIAL INJUNCTIVE RELIEF

1. Comes now the unrepresented Applicant/Plaintiff, Rev. ANNE ARMSTRONG, under any applicable Rule (including Rules allowing the Hon. Court to suspend any hindering Rules), petitioning via emergency application of the Honorable Court pretrial injunctive relief against a rapidly approaching deadline. That deadline is a narrow time window (December 11, 2020) for a specific religious exercise in an area which the Defense asserts is closed to

the public by law for pandemic control, and which the Applicant/Plaintiff says is open in the absence of any Executive Order, or, in the alternative, if any law or Order closes the Statehouse to the public for such purposes is unconstitutional under the new US Supreme Court ruling of *Brooklyn Diocese v State of New York* 592 U. S. ____ (2020).

2. The Applicant/Plaintiff's pleadings and case law for pre-trial injunction standard of review, and the review for the final trial basis for injunction, are found in the Action itself, subject to further pleadings, replies and response briefs, as needed.
3. Applicant/Plaintiff endeavors to correct via complaint amendment, as rapidly as is practicable, any minor technical defect barring a path forward, and prays the Honorable Court's understanding of the last-minute, unrepresented filing.

Humbly submitted,

Rev. Anne Armstrong
